CountiesEnergyTrust

Power for the People!!

I'm not sure if this should be headed 'Energy for the People' as our Trust has changed its name to Counties Energy Trust to align with the Company. We are planning on holding our AGM on 8th December at the Pukekohe Rugby Stadium 5:30pm as this will allow us to hold it outside on the deck if necessary. Everyone is welcome, subject to Covid-19 conditions. We'll also have zoom capability and will be serving refreshments. Please check our website www.countiespowertrust.org.nz for any changes and email if you would like to join the meeting by zoom.

Unfortunately, another victim of Covid is the annual Glenbrook Christmas Train which was lit and sponsored by Counties Energy. Such a shame for the children as well as us adults and the Glenbrook Railway. It has seemed a long and frustrating time for many businesses. Counties Energy had to put on hold many of their upgrades, so like a lot of businesses are working hard to make up for lost time.

The Counties Energy Environmental Awards have been finalised. There was a very high standard from the submitters and your local Lighthouse Trust was a recipient of one of these well-deserved awards. Well done to the Lighthouse Trust and team that put in their submission.

Christine Rupp, Chair Counties Power Consumer Trust
